38 YEARS CELEBRATION

Join us for an evening celebrating St. John Center volunteers and their dedication to our unhoused neighbors.

In the tumultuous waves of the past months, our journey has been a testament to resilience, compassion, and unwavering commitment. As we reflect on our path, it's impossible not to be overwhelmed with gratitude for the incredible spirit of our volunteers, who stand as beacons of hope amidst the storm.

March 8th marked a pivotal moment in our history as we broke ground on Sheehan Landing, a future home and sanctuary for 80 individuals who have faced the harshest realities of homelessness. Despite the torrential rain, our volunteers stood shoulder to shoulder with us, a testament to their dedication and unwavering support. Their presence, their energy, their unwavering strength—it's what propels us forward in the face of adversity.

For 38 years, our volunteers have been the lifeblood of St John Center, infusing our mission with love, passion, and determination. And now, as we confront new challenges brought forth by legislation that threatens the very existence of our unhoused neighbors, their- your, support becomes even more indispensable. Together, we stand firm, ready to tackle whatever obstacles lie ahead.

As we celebrate the anniversary of St John Center this April, we also celebrate each and every one of our volunteers—the unsung

heroes who make our work possible. Your love, your advocacy, your unwavering support—it's what fuels our fire and keeps our spirits high. St John Center is not just a homeless service agency; it's a testament to the power of community, to the boundless potential of humanity when we come together for a common cause.

Alongside our dedicated staff, our volunteers are the backbone of St John Center, providing the care, the compassion, and the hope that our guests need to keep moving forward. As we continue to navigate the winding roads ahead, let us hold onto the light that our volunteers bring into our lives—the light that shines brightly even in the darkest of times.

Thank you, from the bottom of our hearts, for all that you do.

Together, we will keep shining!
